*Ophthalmology - LASIK and Refractive Surgery*

Dr. Mihir (Max) Parikh's commitment to the best LASIK technology and surgical results puts his practice at the top of all U.S. ophthalmology surgical centers—and in the front row as the Official San Diego Chargers Team Ophthalmologist and LASIK Center.

Professional athletes, our cherished military, surgeons, attorneys, pilots and many others who count on sharp vision turn to Dr. Parikh and his team at the Advanced Ophthalmology Institute for the latest customized LASIK and Wavefront technologies. With their own private clinic and surgical center in La Jolla, procedures are customized to improve patients' vision in a caring, safe and comfortable environment.

Certified by the American Board of Ophthalmology, a Cornea and LASIK Specialist and honored as ABC's Channel 10 Eye and LASIK Expert, Dr. Parikh has performed several thousand successful refractive procedures. He specializes in the latest Wavefront LASIK procedures, PRK, LASEK, cataracts, intraocular lenses and CK for the treatment of nearsightedness, farsightedness, astigmatism and presbyopia (reading glasses).

“My commitment to patients comes above all else,” Dr. Parikh says. “With the best technology and thousands of successful procedures, our patients can be assured they will receive the best care with a surgeon and vision team they can trust.”
